The annual report has been filed with the Employee Benefits Security Administration, U.S. Department of Labor, as required under the Employee Retirement Income Security Act of 1974 (ERISA).

The trustees of Sacramento Independent Hotel, Restaurant & Tavern Employees Welfare Trust have committed to pay from the Trust Fund certain medical, vision, stop loss, death and accidental death and dismemberment claims incurred under the terms of the plan. Insurance Information

The plan had contracts with HCC Life Insurance Company, Kaiser Foundation Health Plan Inc., United of Omaha Insurance Company, Vision Service Plan and Western Health Advantage to pay certain health, stop loss, vision, life insurance and accidental death and dismemberment claims incurred under the terms of the plan. The total premiums paid for the plan year ending June 30, 2023 were \$1,938,853.

Because the plan contract with Vision Service Plan is an "experience-rated" contract, the premium costs are affected by, among other things, the number and size of claims. Of the total insurance premium paid for the plan year ending June 30, 2023, the premium paid under such "experience-rated" contracts were \$31,717 and the total of all benefit claims paid under these experience-rated contracts during the year was \$32,644.

Basic Financial Statement

The value of plan assets, after subtracting liabilities of the plan, was \$9,846,783 as of June 30, 2023, compared to \$10,131,915 as of July 1, 2022. During the plan year, the plan experienced a decrease in its net assets of \$285,132. This decrease includes unrealized appreciation and depreciation in the value of plan assets; that is, the difference between the value of the plan's assets at the end of the year and the value of the assets at the beginning of the year or the cost of assets acquired during the year. During the plan year, the plan had total income of \$4,948,998 including employer contributions of \$4,557,096, employee contributions of \$114,023, realized gain of \$17,510 from the sale of assets, earnings from investments of \$244,581, and other income of \$15,788.
